

LEGACY WRITING MASTERY

Transform Your Story into a Powerful Legacy

5 Essential Self Publishing Tools

ISBN & Copyright Registration - Bowker ISBN Services

myidentifiers.com

An ISBN (International Standard Book Number) is a must-have for self-published authors. It's what makes your book identifiable and searchable in bookstores, libraries, and online retailers. Bowker is the official source for purchasing ISBNs in the U.S.

AI-Powered Marketing & Bonus Content - Google NotebookLM

notebooklm.google.com

This AI-powered research tool can turn your manuscript into additional marketing content—summaries, promotional blurbs, and even podcast episode ideas.

- Upload your manuscript and generate key insights for the back of the book.
- Use AI to create bonus content or a FAQ section for your readers.
- Draft engaging social media captions, blog posts, and email content to promote your book.

Faith & Mindset: Bible Verse & Daily Affirmation

📖 Bible Verse: "Write the vision; make it plain on tablets, so he may run who reads it." – Habakkuk 2:2 (ESV)

💬 Affirmation: "My story is powerful, my words have meaning, and my book will impact lives." Writing a book is a journey that requires faith, persistence, and vision. Keeping scripture and affirmations close by will encourage you to push through challenges and trust the process.

Professional Book Formatting – Kindle Create

[Kindle Create](https://kdp.amazon.com)

💡 Why Use Kindle Create? Free tool by Amazon for formatting eBooks & print books. Converts Word documents into Kindle-ready & print-ready formats. Works directly with Kindle Direct Publishing (KDP) for a smooth upload process. Simple to use—great for first-time self-publishers who need an easy formatting solution.

Audience Growth & Email Marketing – AWeber Pro

[AWeber Pro](https://aweber.com)

Self-publishing isn't just about writing a book—it's about building an audience that's excited to buy and share your work. AWeber Pro helps authors grow their email list, send updates, and create an engaged community of readers.
